Burial in a National Cemetery

Information about burial of veterans and family at Arlington National Cemetery and Quantico National Cemetery can be found at the Veterans Administration website. Burial benefits available include a gravesite in any of 131 national cemeteries with available space, opening and closing of the grave, perpetual care, a Government headstone or marker, a burial flag, and a Presidential Memorial Certificate, at no cost to the family. Some Veterans may also be eligible for Burial Allowances. Cremated remains are buried or inurned in national cemeteries in the same manner and with the same honors as casketed remains.
